Replay: The 5 Key Cybersecurity Focus Areas that Every RIA Needs to Know

July 30, 2019

Listen to a replay of our July 23 webinar, "**The 5 Key Cybersecurity Focus Areas that Every RIA Needs to Know"**.

Wes Stillman covered the essential elements of a strong cybersecurity program; *Identify, Protect, Detect, Respond, Recover.* He provided insight on taking action, determining the right mix of people, process, and technology, convenience vs. security tradeoffs, assigning roles & resources, and embracing change.

This session is ideal for RIA principals as well as operational and compliance professionals who want to stay up-to speed on the latest cybersecurity best practices.
