

The RIA Compliance Collective podcast

January 4, 2022

Ivan Barretto and Collin O'Bryant|5/21/2019

Show Notes: Wes Stillman Bio:

Wes Stillman is the Chief Executive Officer of RightSize Solutions. After 30+ years of managing technology in high-level positions, Wes began RightSize Solutions in 2002 because RIAs needed a technology partner who really understood their needs. More than 13 years later, he remains committed to understanding every nuance of his clients' businesses.

Topic I – Introduction Topic II – Concerns regarding the creation of customized mobile apps
Topic III – Mobile cybersecurity challenges Topic IV – Best practice recommendations Topic –
Closing Remarks
